Honorable J. Carlton Loser
House of Representatives
Washington, D. C.

Dear Mr. Loser:

This is in response to your letter of September 6, 1960
concerning a letter you received from [redacted]
[redacted] regarding the continuation
of salary payments to Mr. Francis B. Powers. I am enclosing a
copy of a letter I have forwarded this date to [redacted] in
response to an identical letter which I received directly from
him under date of August 30, 1960. A copy is also being forwarded
to Senator Albert Gore in response to a query received from him
for advice to [redacted] on this same subject.

For reasons which I am sure you will understand, the enclosure
is as responsive as I feel I can be at the present time.

If I may be of further assistance, would you please advise me.

Sincerely,

SIGNED
